Message from IGS

Due to printing & mailing costs, the three separate books (**Information, Competition, and Workshop**) will be online **only**. Your local public library can help you download and print if you feel you need help.

The Competition and Information Books will have everything needed in them: agenda, classes, forms, rules, regulation, etc. They will be available on-line in December, 2022.

The Workshop Book will have information including pictures, prices, and description/instructor names. This book will be online in February, 2023.

Thank you,
Indiana Gourd Society, Inc.

Have some gourd art you would like to SELL, but not enough to merit a full booth space? Here's your chance to SELL your gourds. ANY active IGS member, even if you PAID for your own vendor's booth, may have up to 10 items in the IGS Member Sales Booth, as space allows. You must pre-register to sell and **volunteer to work 1 hour or more where IGS assigns you**.

Sellers: Each member is responsible for tagging their own gourds and getting them to and from the booth. A seller may leave a tote hidden in booth with extra gourds to replace gourds that sell. You may use your craft/gourd business card; this is recommended to give the buyer your name and contact info. Seller will have the say as to what items go on display first, if space is a problem or your sold gourds need replaced. IGS will make payment to sellers, by check, at the end of show.

Booth Chair: Is responsible for setting up the booth. All gourd items will be placed randomly, but appealingly, in the booth space.

Please Note: The 1 hour required to display/sell in this booth, IS NOT included in the 4 hours required for a Free Day Pass.
