

2009 State FAJR

We hope you are working on gourd entries for the state fair. There are 38 classes in the competition this year. Go to the fair website or request a show catalog from the fair committee.

Because of the extended fair this year (three weekends), we will not be able to do the Sunday setup as in prior years. If you can help set up on Tues or Wed (as soon as they give us a firm date), please call Phil at 765-674-8088.

We always need demonstration volunteers to "work" 4-hour blocks of time 9-1, 1-5, 5-9 and in return, you get a free pass to the fair for the day you work. If you can help with demonstrations, please e-mail Jesse at jessgless@comcast.net or call him at 765-348-0344.

We are giving information about the State Fair entries on the insert, however, you should use the OFFICIAL State Fair Site and Forms for entering your competition items.

Phil Moorhead, Jesse Glessner, Loretta Pressel, co-chairs

2010 State SHOW

Going Green With Gourds

Not only did we get a nomination for a new State Show Chair for 2010 at our Saturday evening dinner and later Board approval of the same, we wound up with a new THEME as well, getting the 2010 State Show off to a roaring start. (We don't let too much grass grow under our gourds.)

Alice Pawlowski will be the new show chair for 2010 as approved by the Board in their meeting on Sunday morning, March 29, 2009.

Alice has already chosen a new theme for the show as well, "GOING GREEN WITH GOURDS" which also fits in with the renewed efforts of environmentalists' and their current "Going Green" programs.

You may contact Alice at the following address
Alice Pawlowski - mpap2@verizon.net

Contact Alice with your suggestions, comments, and questions.

More will be published as we progress into the year and are preparing the catalog for the new show.
