

Gourd Graphic Natural	Gourd Graphic Crafted	Zucca Gourd	49
		<p>Lagenaria Siceraria (White Flowered)</p> <p>The Zucca Gourd has a somewhat odd milkbottle shape, but the main body is slightly tapered and can be up to 8" to 10" in diameter and 20" to 30" in length.</p> <p>In the past it has been grown as a food source, however, it is now usually used for crafts, including musical instruments.</p>
